**MedPro Rx, Inc. Releases 2010 Calendar***Calendar Encourages Bleeding Disorder Community To Live A Healthy Lifestyle*

RALEIGH, N.C. – Nancy McFarlane, president of MedPro Rx, Inc. ([www.medprorx.com](http://www.medprorx.com)), a provider of specialty pharmacy services to clients with chronic illnesses who need clotting factor, IVIg and other medication, has announced the release of the company's 2010 penguin family calendar. Based around the story of Chilly Penguin, a comic character living with hemophilia, the calendar features a compilation of drawings completed by children under age 12 who have either hemophilia or von Willebrand disease. Each drawing showcases Chilly making a safe, smart decision while out in the community. The calendar also includes a list of important dates to remember from various hemophilia state chapters.

**QUOTES:**

"The calendar is a fun way for our clients to be reminded every day of the things that are important for maintaining their health," said Brad Andrews, senior vice president of sales and marketing. "If one person is healthier for having our calendar then it has accomplished its goal."

**DETAILS:**

- All MedPro Rx clients will receive a copy of the calendar. Additional calendars are available by contacting MedPro Rx at (888) 571-3100.
