MedPro Rx, Inc. Launches Blog*Specialized Pharmacy Addresses Bleeding Disorder And Autoimmune Disease Communities Through Blog*

RALEIGH, N.C. - Nancy McFarlane, president of MedPro Rx, Inc. (www.medprorx.com), a provider of specialty pharmacy services to clients with chronic illnesses who need clotting factor, IVIg and other medication, has announced that the pharmacy has launched a new blog. MedPro Rx will discuss and address issues of interest to the autoimmune disease and bleeding disorder communities. Topics include new developments in research, MedPro Rx and community announcements, and events and news items targeted at the bleeding and autoimmune communities. In addition to posts, the blog contains a number of links to helpful Web sites and supports a national events calendar, listing all events on a nationwide scale that relate to the bleeding disorder and autoimmune disease communities. To view the blog, visit www.medprorx.blogspot.com.

As a specialty infusion pharmacy, MedPro Rx is an Accreditation Commission for Health Care, Inc. provider (ACHC) whose services emphasize treatments for individuals with hemophilia, vWD, autoimmune neuromuscular disorders and other complex chronic conditions.

For more information on MedPro Rx or its pharmacy services, please visit www.medprorx.com.

Quotes:

"We are happy to be a source of information to bleeding disorder and autoimmune disease communities," said McFarlane. "Blogs are such a great way to convey information to the public and we are excited to have ours up and running."

About MedPro Rx, Inc.:

MedPro Rx, Inc. is a specialty infusion pharmacy which has been providing infused and injectable medications and services to clients with chronic illnesses since 2002. With more than 100 years of combined pharmacy, nursing and management experience, MedPro Rx is dedicated to improving the overall outcomes of the client therapy experience. MedPro Rx's goal is to set the standard for infusion care and achieve positive clinical outcomes for clients by participating in the healthcare process through integrated, community-based systems. As a specialty infusion pharmacy, MedPro Rx is an Accreditation Commission for Health Care, Inc. provider (ACHC) whose services emphasize treatments for individuals with hemophilia, vWD, autoimmune neuromuscular disorders and other complex chronic conditions. Services include client and family advocacy, complimentary pick-up of sharps containers at the client's location of choice, express shipping and personal medication delivery services, complete insurance and benefit counseling, and the assurance that MedPro Rx stocks all factor and IVIg brands, all doses from all manufacturers, all the time. MedPro Rx offers specialty intravenous therapies such as IVIg, which treats a variety of immunodeficient diagnoses, and clotting factor for a client to use in their

home, at infusion clinics and in the physicians' offices. For more information or to receive a free consultation and health insurance evaluation, please call (888) 571-3100 or visit www.medprorx.com.
