MedPro Rx, Inc. Names Senior Vice President Of Sales And Marketing
Brad Andrews To Expand Client Base For Specialty Infusion Pharmacy

RALEIGH, N.C. – Nancy McFarlane, president of MedPro Rx, Inc. (www.medprorx.com), a provider of specialty pharmacy services to clients with chronic illnesses, has announced that Brad Andrews has been named senior vice president of sales and marketing. In this position, Andrews works as part of the senior management team to help guide the sales strategy for MedPro Rx. He will systematically look at industry trends to identify potential clients, focusing in particular on opportunities that lie outside of the pharmacy's home base. Andrews previously served as MedPro Rx's vice president of managed care.

Prior to working at MedPro Rx, Andrews held several senior level positions in the healthcare industry, including regional business director and senior vice president of sales with McKesson Specialty, and vice president of sales with eBioCare. With more than 25 years of healthcare experience Andrews has a diverse background in health care management and sales, including extensive experience with start-up operations, payer contracting and joint venture development, as well as forming and implementing strategic physician relationships.

Quotes:

"Brad Andrews has been a valuable asset to the company and his promotion will allow MedPro, Rx to continue to grow and expand," McFarlane said. "Company growth promises that we can better serve our current and future clients."

About MedPro Rx, Inc.:

MedPro Rx, Inc. is a specialty infusion pharmacy which has been providing infused and injectable medications and services to clients with chronic illnesses since 2002. With more than 100 years of combined pharmacy, nursing and management experience, MedPro Rx is dedicated to improving the overall outcomes of the client therapy experience. MedPro Rx's goal is to set the standard for infusion care and achieve positive clinical outcomes for clients by participating in the healthcare process through integrated, community-based systems. As a specialty infusion pharmacy, MedPro Rx is an Accreditation Commission for Health Care, Inc. provider (ACHC) whose services emphasize treatments for individuals with hemophilia, vWD, autoimmune neuromuscular disorders and other complex chronic conditions. Services include client and family advocacy, complimentary pick-up of sharps containers at the client's location of choice, express shipping and personal medication delivery services, complete insurance and benefit counseling, and the assurance that MedPro Rx stocks all factor and IVIg brands, all doses from all manufacturers, all the time. MedPro Rx offers specialty intravenous therapies such as IVIg, which treats a variety of immunodeficient diagnoses, and clotting factor for a client to use in their home, at infusion clinics and in the physicians' offices. For more information or to receive a free consultation and health insurance evaluation, please call (888) 571-3100 or visit www.medprorx.com.
