## News Facts:

- Nancy McFarlane, president of MedPro Rx, Inc. ([www.medprorx.com](http://www.medprorx.com)), a provider of specialty pharmacy services to clients with chronic illnesses, has announced the release of a podcast about hemophilia.
- This podcast explains what hemophilia is, who it affects and statistics about the number of people living with hemophilia in the U.S.
- It also explains services that MedPro Rx provides to people living with hemophilia.
- The podcast is available for download at [www.medprorx.com/hemophilia.html](http://www.medprorx.com/hemophilia.html).

Quotes: "Hemophilia is a chronic bleeding disorder that predominately affects males," McFarlane said. "It is important that people gain an understanding of the disorder so that we can continue researching the disease."

About MedPro Rx, Inc.: MedPro Rx, Inc. is a specialty infusion pharmacy which has been providing infused and injectable medications and services to clients with chronic illnesses since 2002. With more than 100 years of combined pharmacy, nursing and management experience, MedPro Rx is dedicated to improving the overall outcomes of the client therapy experience. MedPro Rx's goal is to set the standard for infusion care and achieve positive clinical outcomes for clients by participating in the healthcare process through integrated, community-based systems. As a specialty infusion pharmacy, MedPro Rx is an Accreditation Commission for Health Care, Inc. provider (ACHC) whose services emphasize treatments for individuals with hemophilia, vWD, autoimmune neuromuscular disorders and other complex chronic conditions. Services include client and family advocacy, complimentary pick-up of sharps containers at the client's location of choice, express shipping and personal medication delivery services, complete insurance and benefit counseling, and the assurance that MedPro Rx stocks all factor and IVIg brands, all doses from all manufacturers, all the time. MedPro Rx offers specialty intravenous therapies such as IVIg,

which treats a variety of immunodeficient diagnoses, and clotting factor for a client to use in their home, at infusion clinics and in the physicians' offices. For more information or to receive a free consultation and health insurance evaluation, please call (888) 571-3100 or visit [www.medprorx.com](http://www.medprorx.com).
