

MedPro Rx, Inc. Named To Inc. 5000 List For Third Straight Year
Local Specialty Infusion Pharmacy
Named One Of Nation's Fastest-Growing Private Companies

RALEIGH, N.C. – Nancy McFarlane, president of MedPro Rx, Inc. (<http://www.medprorx.com>), a provider of specialty pharmacy services to clients with chronic illnesses who need clotting factor, IVIg and other medication, has announced that MedPro Rx has been recognized by *Inc.* magazine as one of the nation's fastest-growing private companies in 2011. MedPro Rx has been recognized on the Inc. 5000 for three consecutive years since 2009. The 2011 Inc. 5000 is a list of the nation's top 5,000 fastest-growing businesses based on revenue growth from 2007 through 2010.

The list represents the most comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs. Businesses named to the Inc. 5000 list must be U.S.-based, privately held, for-profit, independent companies. Revenue in 2007 must have been at least \$100,000, and revenue in 2010 must have been at least \$2 million. The Inc. 5000 are responsible for creating more than 370,000 jobs in the last three years, making the list perhaps the best example of the impact private, fast-growing companies can have on the economy.

QUOTES:

"We are proud to be again named to the Inc. 5000 list," said McFarlane. "It is an honor to be listed among so many prominent companies as one of the fastest growing companies in the nation."
