**MedPro Rx, Inc. Introduces New Online Game  
To Help Children With Chronic Illness***Local Specialty Pharmacy Offers Clueless Crossword On Kids Website*

RALEIGH, N.C. – Nancy McFarlane, president of MedPro Rx, Inc. (<http://www.medprorx.com>), a provider of specialty pharmacy services to clients with chronic illnesses who need clotting factor, IVIg and other medications, has announced the release of a new Clueless Crossword game on the MedPro Rx Kids website (<http://www.medprokids.com>). In the game, players must guess words to complete the puzzle. The website hosts a number of games, including Jigsaw Jam, Marble Mania, Quick Math, and now Clueless Crossword that are designed for children with blood disorders.

The MedPro Kids website was designed to promote healthy lifestyles for children with hemophilia. Children can play games, hang out with Chilly the penguin and interact with a FAQ program concerning the disease.

**QUOTES:**

“Clueless Crossword is a great game for children of all ages to play so they can have fun while learning new words and spelling,” said McFarlane. “The games we host on our MedPro Kids website are all geared toward keeping children engaged with learning while staying entertained.”
