MedPro Rx, Inc. Applying For Specialty Pharmacy URAC Accreditation
Local Specialty Pharmacy Demonstrates High Service Standards In Third-Party Review

RALEIGH, N.C. – MedPro Rx, Inc. (<http://www.medprorx.com>), a provider of specialty pharmacy services to clients with chronic illnesses who need clotting factor, IVIg and other medication, has announced that it has applied for Specialty Pharmacy Accreditation from URAC, a Washington, D.C.-based health care accrediting organization that establishes quality standards for the health care industry. URAC offers the only third-party, voluntary accreditation program of this scope for pharmacy benefit management and prescription services industry. All standards were developed by URAC's Pharmacy Advisory Committee, which includes a wide range of stakeholders: employers, consumers, pharmacy consultants, health plans, retail pharmacy, pharmacy benefit management organizations, pharmacy professional organizations; labor, and large public purchasing groups.

The URAC accreditation process demonstrates a commitment to quality services and serves as a framework to improve business processes through benchmarking organizations against nationally recognized standards. The URAC standards development process is consensus driven, with hundreds of industry experts serving as volunteers to establish and revise appropriate industry benchmarks.

QUOTES:

"MedPro Rx is taking steps to enhance our services through this accreditation," said Ron McFarlane, RPh and chief operating officer at MedPro Rx.

"MedPro Rx should be commended for its decision to be reviewed under URAC's strict quality standards," said Alan P. Spielman, URAC president and CEO. "It is critically important for health care organizations to make a commitment to quality and accountability."
