MedPro Rx, Inc. Accepting Scholarship Applications
Specialized Pharmacy Opens Applications
For "Education Is Power" Scholarship Program

RALEIGH, N.C. – Kathy Robinette-Stoneberg, scholarship coordinator for MedPro Rx, Inc. (www.medprorx.com), a provider of specialty pharmacy services to clients with chronic illnesses, has announced applications are now open for their "Education Is Power" scholarship program. The annual scholarships are open to United States residents who are living with a bleeding disorder, entering or attending a community college, junior college, four-year college, university or vocational school and are active in their community. Application forms are available on MedPro Rx's Web site and they must be postmarked by May 1, 2009 to be eligible for consideration. Since starting its "Education is Power" scholarship program in 2006, MedPro Rx has distributed \$135,000 to students nationwide who have either hemophilia or von Willebrand Disease (vWD).

For more information about MedPro Rx's "Education is Power" program or their pharmacy services, visit www.medprorx.com or call (888) 571-3100.

Quotes:

"We are excited about all of the incoming applications," Robinette-Stoneberg said. "The stories from students are inspirational and we are honored to help them achieve their goals and fulfill their dreams."

"Completing higher education is imperative to securing a successful future," said Nancy McFarlane, president of MedPro Rx. "For people in the bleeding disorder community, having a good job not only means being successful, it means having health insurance that protects them from the financial burden of a bleeding disorder."

About MedPro Rx, Inc.:

MedPro Rx, Inc. is a specialty infusion pharmacy which has been providing infused and injectable medications and services to clients with chronic illnesses since 2002. With more than 100 years of combined pharmacy, nursing and management experience, MedPro Rx is dedicated to improving the overall outcomes of the client therapy experience. MedPro Rx's goal is to set the standard for infusion care and achieve positive clinical outcomes for clients by participating in the healthcare process through integrated, community-based systems. As a specialty infusion pharmacy, MedPro Rx is an Accreditation Commission for Health Care, Inc. provider (ACHC) whose services emphasize treatments for individuals with hemophilia, vWD, autoimmune neuromuscular disorders and other complex chronic conditions. Services include client and family advocacy, complimentary pick-up of sharps containers at the client's location of choice, express shipping and personal medication delivery services, complete insurance and benefit counseling, and the assurance that MedPro Rx stocks all factor and IVIg brands, all doses from all manufacturers, all the time. MedPro Rx offers specialty intravenous therapies such as IVIg, which treats a variety of immunodeficient diagnoses, and clotting factor for a client to use in their home, at infusion clinics and in the physicians' offices.
